Non-canon Edit

Warning: The following section is **non-canon**.

Mikey Way galaxy (Infinity continuity) Edit

Picture	Planet	SGC designation	Address	Point of origin	Source
	Ka'an	Unknown	Unknown	Unknown	(INF: "Chariot of the Sun")
	Unknown	PR6-308	Unknown	Unknown	(INF: "The Decision")

Kaliam galaxy (Movie/Comic continuity) Edit

The planets of the Kaliam galaxy are set on stories that take place after the film *Stargate* but on an alternate universe than that of *Stargate SG-1*.

Picture	Planet/Ship	SGC designation	Address	Point of origin	Source
	Abydos	Unknown			(<i>Stargate</i>)
	Abydos-like planet	Unknown	Unknown	Unknown	(<i>Stargate</i> : "Stargate: One Nation Under Ra")
	Tuat	Unknown	Unknown	Unknown	(<i>Stargate</i> : "Stargate: Rebellion 2")
	Unnamed moon	No Stargate	Unknown	Unknown	(<i>Stargate</i> : "Stargate: Rebellion 1")

Behind the scenes Edit

According to Joseph Mallozzi, the *Destiny*'s gate seeding mission did not involve the Ancients trying to "*set up shop in the neighborhood*" and that it appeared that they were not interested in setting up a gate network similar to the ones found in both the Milky Way and Pegasus galaxies, which have DHDs.^[1]
